

Confidential Data Affidavit

The document below is an affidavit affirming -

- 1) I have read the Sysnet Policy concerning Confidential Data and understand the scope and requirements regarding such policy - <https://www.oden.utexas.edu/sysdocs/policy/cat1.html>
- 2) In recognition of the fact that I have access to Confidential - Category 1 Data (on a UT system supported by Sysnet) I have changed my Systems User Password according to Sysnet Policy - <https://www.oden.utexas.edu/sysdocs/policy/password.html>.

This policy requires that user passwords which provide access to Confidential Data satisfy the following

- > Must be 12 or more characters long
- > Must have one digit
- > Must have one upper case letter
- > Must have one lower case letter
- > Must have one other character: ! @ # \$ % * () - + = , < > : : " ' "

- 3) I understand that the location of the Confidential Data set is:

Desktop/Server: _____

Directory: _____

and is not to be moved and/or copied without prior Sysnet consultation.

The undersigned represent that they accept and have complied with the terms of the Sysnet Confidential Data Policy --
